Dear Pastor,

It is my great delight to recommend Jeff and Kim Smith for your consideration as missionaries to Canada.

I became Jeff's pastor when he was just a teenager. I watched him develop as a young man as he worked on the family farm and in their construction business. God brought Kim into his life and I enjoyed being this fine young couple's pastor.

I remember the mission's conference when God worked in Jeff's heart to leave the farm and go to Bible College and prepare his life to serve the Lord. Jeff put himself through Bible college as a marriage student with children and was able to do very well in his studies.

Now they have determined that God has directed them to come to Canada as missionaries.

Many do not see the needs in Canada – but the spiritual need is vast. Canada is a country of 33 million people with less than 300 independent Baptist churches. The average independent Baptist church in Canada is running less than 70 in Sunday attendance. There are sizeable cities in every province that need a church planted to proclaim the good news of God's salvation.

Bro. and Mrs. Smith are a fine young couple that are committed to do the Lord's will and serve Him with their lives. They conducted themselves in an exemplary manner during college, they are very hard workers and they have a wonderful spirit. I believe you will be glad to have them in your church to present their burden for Canada and God's direction for their lives.

I pray you will partner with them to get this fine young couple to the very needy mission field of the Canada. Certainly they need your prayer support, and I hope you will seriously consider supporting them financially as well.

If you have any questions, or would like a further recommendation, please do not hesitate to call me.
