

the SMITHS serving Christ in Ottawa

Dear Prayer Partners,

March 5, 2018

I am currently teaching the adult Sunday School class at our sponsor Church. I am doing a six week series called, "Multiply: Church Growth in Acts". We are looking at the factors that caused the Gospel to spread and Churches to be planted in the Book of Acts. It is *encouraging* to be reminded of all that God wants to do and can do through the spreading of the Gospel in the World!

Our family continues to be happy and healthy, for which we are very thankful. Thank you for any and all prayers for our strength and health! Kyle gave us all a scare with a few episodes of his heart racing abnormally. The doctor said that his condition is occasionally seen in boys his age. We have another doctors appointment scheduled, but for now, he has been declared healthy.

Our Church had its Grand Opening Service in its new location and new building on March 4th. This was a very special day with many visitors and a clear Gospel message. One person made a profession of faith in the morning service! It has been very rewarding to be a part of the ministry team at CBC during this chapter in the Church's history. We praise God for His leading ... and for your prayers and support to put us here for *this* time!

Serving Christ in the Capital of Canada, The Smiths

Prayer request:

- Permanent residency status progress. Our representative has completed our Express Entry Profile. Next, the profile will be entered into the Express Entry Profile pool.
- We will be in a Missions Conference in March. Please pray that we will be a great encouragement for world evangelism in the conference.
- Ministry responsibilities and opportunities: visitation, transportation for services, Church construction, preaching/teaching, choir.

Culture Corner: It's "Roll Up The Rim" time in Canada! A special time of year to drink the Nation's favourite coffee and have a chance to win a prize! Yes, this cup says, "please play again". Meeting with someone almost always happens at the local "Tim's" ... it's a cultural thing!
